CHANGE OF CONTACT DETAILS

Please inform the office immediately if your cell number, work number, home tel. number, etc. changes. We cannot get hold of you if we do not have the correct information.

NEWSLETTER ADVERTISING

We invite you to advertise your business with us, or, if you would like to buy or sell anything, etc. The cost is R90 per month, per newsletter for Candyland parents and R110 for non-parents. Please contact Amanda amanda@candyland.za.net, if you would like to advertise in any one or all 5 of our newsletters. See attached Shop Window and please support them. Please mention that you saw the advertisement in our newsletter when enquiring.

HEALTH ISSUES

Please inform the office if your child becomes allergic to anything in order for us to keep our records up to date. Remember to de-worm your child every 6 months and also to look for head lice. We also check every week and have a register (direct order from the Health Department). If we find lice on your child's head, you will be contacted to fetch your child. He/she will not be allowed back until you can give us a clearance certificate.

AFTERCARE

We would appreciate it if you could call or e-mail (brackendowns@candyland.za.net) either, Chantelle or Karen, informing us when your child is not at school, or will be doing an extra mural, or is collected early from school. This prevents our teachers from waiting in vain for children that are not there. Regular offenders will be fined in future to curb this problem.

ARRIVAL TIMES

Please ensure your child is at school by 08:00. Breakfast is served at 08:00 and lessons begin at 08:30 sharp. Breakfast will not be kept for children who arrive after 08:10. Please drop your child and leave, as it is extremely disruptive, not only for your child, but also to the class when you linger. Children whose parents follow this procedure, settle much quicker than those who do not.

N.B. Please do not send your child to school with sweets in the morning, to be eaten before breakfast. Only healthy snacks such as fruit, yoghurt, pro-vitas, cheese, even a small sandwich will be allowed for children arriving between 06:30 and 07:00. Please refer to Rules and Regulations pertaining to this issue as conflict amongst children is equivalent to World War II

MEDICINE

According to the Health Department, we are only allowed to give prescribed medicine to children, which, are signed into the medicine register. The medicine form together with the medicine, must be handed in to your class teacher. We **DO NOT** administer any other medicines, or vitamins whatsoever. Parents will need to collect any sick children immediately, and children with any contagious illnesses, will not be accepted back to school without clearance certificates from a recognized medical practitioner.
